Completion Rate

“Normal time” to complete the (Part Time) program is 70 weeks. During the period of July 1, 2015 to June 30, 2016 there were 8 students enrolled in the Cosmetology program. 4 of those students ultimately graduated. None of the 4 graduated within “normal time” making our Completion Rate 0%. The 4 graduates could not be counted as graduating within “normal time” because they took a Leave of Absence, had NO financial aid or attended longer than Dept. of Education limitations. These inclusive numbers would make the Completion Rate for this program 50%. “Normal time” is considered perfect attendance.
