The consent must state the purpose of the disclosure, specify the records that may be disclosed and identify to whom the disclosure may be made.

Student files are property of the College. However, students have the right to inspect and review education records maintained by the college. The College may charge a fee for copies. Student files are maintained for a minimum of three years.

The College does not publish a directory of student information.

The College has available a phone number for Apartment Search in the area. The staff will be happy to assist the student, as much as possible with housing info. For students without their own vehicle, the Kansas City Metro Bus Line travels through Independence. Taxi service is available. Transportation costs per five-day week for commuting students will vary, approximately, from \$10.00 for a student living in Independence to \$45.00 for a student driving from a longer distance.

ATTENDANCE, TARDIES & ABSENCES

Students are expected to be in attendance every day in order to fully take advantage of the education for which they enrolled. Minimum attendance average, to maintain Satisfactory Academic Progress and for financial aid students to remain eligible for financial aid, is 75%. Per the US Department of Education, students must complete within 1½ times the length of their course (Maximum Time Frame). It is the responsibility of the student to time in and out at the appropriate times. If an error occurs, the student is given limited opportunity to correct it. Each student may time only him or herself IN and OUT.

Students who are late on weekdays will not be permitted to time in until after theory class is over. A student who is late on Saturday morning will not be permitted to time in until 8:45 so that clients may be taken care of first. Students cannot enter theory class late and may be suspended for that class time. Habitual or serious violations of attendance policies may result in suspension and/or termination.

Students are allowed a designated number of absent hours, per course, before being charged extra tuition fees. If a student is suspended due to a violation of rules and/or policies, the time missed may be counted as absent time. Students may choose to take a 30 minute lunch period to make up absent hours. Absences not made up during lunch are made up at the end of the course.

A leave of absence, jury duty, bad weather closings or other unexpected closings will extend the graduation date and Maximum Time Frame and are NOT counted as absent time.

LEAVE OF ABSENCE

If a student needs to be absent for an extended period of time s/he may qualify to apply for a Leave of Absence (LOA). The following is the criteria for a Leave of Absence:

1. A student may apply for a leave of absence on a form supplied by the College.
2. The leave request must include a start and end date, a signature and the reason for the leave.
3. Financial Aid loan disbursements may NOT be made while a student is on leave.
4. A Personal leave cannot exceed 4 weeks.
5. A Medical leave cannot exceed 4 weeks. It may only be used for the student, an immediate family member, or someone the student lives with. Medical proof must be supplied as documentation.
6. Only one Personal leave and one Medical leave can be granted within a twelve-month period. They may be combined if the student qualifies for both types.
7. A leave begins when the student requests it in writing. A verbal request may be made but must then be put in writing as soon as possible. In the case of an emergency, a leave can be requested on the student's behalf.
8. If a student uses less than the maximum times allowed, the balance expires once the student returns to school.
9. The student must sign an addendum to the Enrollment Agreement when s/he returns.

A student on an approved leave is not considered withdrawn from the school. There is no additional charge involved. A leave will extend the student's graduation date (the Enrollment Agreement completion date) and the Maximum Time Frame to complete the course by the same number of days taken in the leave. A student, who does not return to school on the expiration date of a leave (or does not call in absent) is considered to have terminated from the college. The last recorded date of attendance is considered to be the date the student terminated. A leave can be refused due to a conflict of interest with financial funding, a conflict with class schedule or validity of the leave. There can be no back dated leaves. The student may return early if desired.

Guidelines to apply for financial aid can be found on the College website (www.Hair-Skin-Nails.com) under the Consumer Information tab. The College uses 910 hours as an academic year.

The College participates in the following Title IV Financial Aid programs (for those who qualify): Federal Direct Student Loans (subsidized and unsubsidized), Federal Direct Plus Loans, Pell Grants, Supplemental Educational Opportunity Grants (SEOG), Vocational Rehabilitation Program and VA Benefits.

STANDARDS OF PROGRESS, ADVISING AND GRADING

Grade records are kept for each student. Students are graded on written (theory) and practical work. Written tests are given over the theory subjects as they are covered. Tests occur approximately once a week. Practical project sheets are assigned to determine progress and advancement of the student in the techniques and skills of their chosen course. Each completed project is initialed by an Instructor. Designated projects must be graded before the project can be signed off. The Student is given a grade on each completed Project Sheet. Seventy percent is passing on both the written and practical scores. Students receive two copies of an evaluation report monthly, defining attendance, grade point average, services completed, and chapter scores. One copy must be signed, returned, and is placed in the student's file. Students are assigned to an Instructor for advising and to turn in weekly Time Sheets. Students are advised by any staff member, as necessary, regarding grades, attitude, attendance and appearance.

Grades are recorded as follows:

| | | | |
|-----------|--------|---------------------|--------------|
| Excellent | 94-100 | <i>Satisfactory</i> | 70-77 |
| Very Good | 86-93 | Failing | 69 & below |
| Good | 78-85 | | |

SATISFACTORY ACADEMIC PROGRESS

Written tests are given over the theory subjects as they are covered. Tests occur approximately once a week. Practical project sheets are assigned to determine progress and advancement of the student in the techniques and skills of their chosen course. Each completed project is initialed by an Instructor. Designated projects must be graded before the project can be initialed. The Student is given a grade on each completed Project Sheet. Seventy percent is passing on both the written and practical scores.

Grades are recorded as follows:

| | | | |
|-----------|--------|---------------------|--------------|
| Excellent | 94-100 | <i>Satisfactory</i> | 70-77 |

A student who does not complete within the Maximum Time Frame check points is not making satisfactory academic progress and is no longer eligible for Title IV Financial Aid assistance. The student will be notified in writing and must make arrangements to pay the college by other means in order to remain enrolled.

4. A student who has returned from an interruption in their training (ex. Leave of Absence or termination and re-enrollment) shall be placed in the same satisfactory academic progress status as prior to their interruption. The course completion time will be extended, if applicable. (A Leave of Absence will extend the student's contract period and maximum time frame by the same number of days taken on leave.) Course incompletes, repetitions, and non-credit remedial courses have no effect upon the satisfactory academic progress standards.
5. A student whose satisfactory academic progress percentage falls below the required minimums is notified in writing and is placed in a **WARNING** status until the next evaluation. During the warning status the student must raise his/her average to the required level by improving cumulative test scores and/or improving cumulative attendance appropriately. A student (receiving Title IV Financial Aid funds) placed on warning may still receive any Title IV funds that s/he may be eligible for. If the student meets the requirements at the next evaluation, s/he is considered to be making satisfactory progress once again.
6. Failure to raise the averages to the required level(s) by the next evaluation means the student is not making satisfactory academic progress and is not eligible for Title IV Financial Aid assistance. The student will be notified in writing and must make arrangements to pay the college by other means in order to remain enrolled.
7. A student may qualify for **PROBATION**, to have Title IV Financial Aid funds reinstated, if they prevail upon **APPEAL** the loss of their financial aid eligibility. To prevail upon appeal, the student must: a) provide a written appeal of the negative progress determination within 5 school days and b) provide a plan that details how s/he will be able to meet satisfactory academic progress by the end of the next evaluation period. Students may only make an appeal for these reasons: a) death of a close relative, b) serious injury or illness of the student, or c) other allowable special circumstances. The written appeal must include the reason the student failed to make satisfactory academic progress, any documentation supporting this reason and what has changed that will allow the student to achieve satisfactory academic progress by the next evaluation.
8. An appeal hearing will take place within ten (10) days of receipt of the written appeal. The College will determine if the student can meet satisfactory academic progress standards by the next evaluation. A decision on the appeal will be made within three (3) school days and will be communicated to the student in writing. This decision will be final.
9. Successfully prevailing upon appeal (the loss of Title IV Financial Aid eligibility) will result in a status of **PROBATION** which allows Title IV Financial Aid to be immediately reinstated.

10. If the student fails to prevail upon appeal s/he will be notified in writing and must make arrangements to pay the college by other means in order to remain enrolled.
11. Appeal documents and decisions are kept in the student financial aid file.
12. A student placed on an Academic Plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. A student who is progressing according to his/her specific academic plan will be considered making satisfactory academic progress and is eligible for financial aid.
13. Transfer hours are counted as completed hours for the purpose of determining when the allowable maximum time frame has been exhausted.

REFUND POLICY

The following policy will apply to all terminations for any reason, by either party, including student decision, course cancellation or College closure. Any monies due the applicant or student shall be refunded within 30 days of official cancellation or termination with the exception of the non-refundable money order for the student license fee *if* it has already been sent to the State Board.

1. If a student (or in the case of a minor student, his or her parent or guardian) cancels his/her enrollment and requests his/her money back in writing, within three business days of signing the enrollment agreement (which will be before classes start), all money collected by the College shall be refunded within 30 days, with the exception of the non-refundable money order for the student license fee *if* it has already been sent to the State Board. The official cancellation or withdrawal date will be determined by the earlier of the postmark on the written notification, or the date said request is delivered to the College in person.
2. An applicant not accepted by the College is entitled to a refund of all money paid prior to class start.
3. After the start of class (which will be more than three business days after signing the enrollment agreement), refunds for terminating students are made within 30 days. The date of withdrawal shall be the earlier of the date the student notifies the College that he/she wishes to terminate, or the date a student is terminated by the College, or the date it is determined that a student does not return after the expiration of a Leave of Absence, or the date it is determined that a student has withdrawn without notification. If a student is absent without notice, for 2 weeks (14 calendar days), the College will terminate the student's enrollment, as is required by the State Board of Cosmetology. [20CSR2090-2.010 Schools (5)(D)] Refunds are calculated based on the student's last date of attendance and actual hours. Attendance is taken daily.
4. For a student who terminates, or is terminated, after the start of classes, the following tuition adjustment is authorized: (Attendance time is defined as actual clock hours)

| <u>Percentage of Course Completed</u> | <u>Amount Owed</u> | <u>Percentage of Course Completed</u> | <u>Amount Owed</u> |
|---|------------------------|---|------------------------|
| .01% to 4.9% | 20% | 15% to 24.9% | 45% |
| 5% to 9.9% | 30% | 25% to 49.9% | 70% |
| 10% to 14.9% | 40% | 50% and over | 100% |

5. The College's refund policy for the return of unearned tuition or other refundable portion of costs paid to the College is made in the following order: 1) To Federal Direct Student Loans (unsubsidized then subsidized) 2) To a Federal Direct Plus Loan 3) To the Pell Grant 4) To the Supplemental Grant (SEOG) 5) To other Title IV Aid 6) To other Financial Aid 7) To the Student
6. Upon proof of illness or disabling accident, death in the immediate family, or other extreme circumstances beyond the control of the student, the College will make a settlement which is reasonable and fair to both.

7. If the terminating Student has opted to purchase textbooks and equipment from the College, they may not be removed from the premises until all money owed to the College has been paid. Textbooks, tools & equipment are non-returnable and non-refundable. A student who purchased textbooks and equipment elsewhere may remove them.
8. If a course is canceled after a student's enrollment, but before instruction has begun, the College shall, at its option, provide completion of the course or a full refund.
9. If a course is canceled after students have enrolled and instruction has begun, the College shall, at its option, provide a pro-rata refund for students transferring to another school based on the hours accepted by the receiving school, or provide completion of the course, or participate in a Teach-Out agreement, or provide a full refund of all monies paid.
10. In the event that the College is permanently closed and no longer offers instruction after a student is enrolled and instruction has begun, the College shall, at its option, provide a pro-rata refund or participate in a Teach-Out agreement.
11. If an account must be turned over to a collections firm, the student will be charged all collection fees incurred.

Please note: Our refund policy is calculated based upon actual hours completed (instead of scheduled). The Enrollment Agreement you sign prior to starting class constitutes a binding contract even when Financial Aid funds do not cover the amount owed by the student.

RETURN OF TITLE IV FINANCIAL AID

Federal regulations require the return of portions of Title IV financial aid "unearned" by students who withdraw from classes or are terminated by the college. If the hours scheduled to complete by the student on his or her last date of attendance are less than 60 percent of the program hours in the payment period, a portion of aid awarded to the student is considered unearned and must be returned to its source.

To determine the basic amount that must be returned, the formula divides the number of hours the student was scheduled to complete by the total program hours in the payment period. The amount of financial aid awarded is multiplied by this percent and the result is subtracted from the Title IV aid awarded to determine the dollar amount to be refunded.

If 60 percent or more of the hours were scheduled to be completed, the student is considered to have earned 100 percent of the aid awarded for the period. There may be a gap between what the college may charge the student and the financial aid that is available to pay the charges after the Title IV funds are returned. Because of this, the student may be required to repay some of the funds received in addition to the amount the college must return.

The College's refund policy for the return of unearned tuition or other refundable portion of costs paid to the College is made in the following order:

1. To the unsubsidized Federal Direct Student Loan
2. To the subsidized Federal Direct Student Loan
3. To the Federal Direct Plus Loan
4. To the Pell Grant
5. To Supplemental Grant (SEOG)
6. To other Title IV Aid
7. To other financial aid
8. To the Student

All refunds are made within 30 days of formal termination, cancellation by the student or determination by the College that the student has withdrawn without notification.

Direct Loan refunds are deposited back to the appropriate bank account, the College's third party servicer is notified, who then notifies the Department of Education that those funds are available for retrieval and the borrower's account is adjusted accordingly. The student receives documentation at their Exit Interview.

If it is determined that a withdrawn/terminated student qualifies for a post withdrawal loan disbursement, the College will notify the student in writing with the amount and type of financial aid loan disbursement. The withdrawn/terminated student is given a choice of accepting all the funds, accepting a portion of the funds or declining all the funds and requesting that the College return the balance to the appropriate financial aid source. If the student does not respond within 14 days the funds are returned to the original source.

If an overpayment of Pell Grant funds occurs after a student's termination, the student will be informed in writing, within 30 days, and must make repayment arrangements of the Pell overpayment within 45 days. Upon receipt of the repayment, the College will forward the funds to the Department of Education. If the student fails to make repayment arrangements, the College will refer the student to the Department of Education. The student will lose eligibility for additional Title IV funds.

The date of withdrawal/termination shall be the earlier of the date the student notifies the College that he/she wishes to terminate, or the date a student is terminated by the College, or the date it is determined that a student does not return after the expiration of a Leave of Absence, or the date it is determined that a student has withdrawn without notification.

Example of Return of Title IV Funds Calculations

(There are 2 payment periods per academic year)

Example: Total hours for the academic year were 910. The hours in the payment period were 455. The number of scheduled hours the student could have completed in the payment period at the time of withdrawal was 402. The student's actual hours were 373.5. Total Title IV aid disbursed in the payment period amounted to \$4,587.00.

Step 1: Divide 402 (scheduled hours) by 455 (payment period hours) = 88.35%
(percent of payment period scheduled to complete).

Because the student was scheduled to complete more than 60% of the hours in the payment period the student earned all of the Title IV aid that was disbursed at the time of withdrawal. In this case there is no aid that needs to be returned to the Title IV aid programs.

However, the student may still owe the college monies. See College Refund Policy example located on the previous page of this catalog.

STUDENT CONDUCT / WITHDRAWAL / TERMINATION POLICY

Any conduct which disrupts the teaching or administrative activities of the College, any defamatory (malicious, injurious to reputation or false) remarks, whether written or verbal will not be allowed. Students may be suspended or terminated from school if they violate the policies and procedures. The time missed will be counted as absent time. A copy of the Policies and Procedures is given to each student and is explained thoroughly. If a student's conduct or grades do not meet the rules, regulations, or requirements of the College, a meeting will be held with the student. The student is given an opportunity and reasonable time to correct the problem. If the student does not correct his/her individual shortcoming, she/he may be terminated. If an account must be turned over to a collections firm, the student will be charged the collection fees.

WITHDRAWAL / TERMINATION PROCEDURES

If a student withdraws from the College they must:

1. Notify the College Administrative Staff of intent to withdraw.
2. Make an appointment with the Financial Aid Officer for an Exit Interview to complete paperwork needed to withdraw.
3. Return all equipment, tools and textbooks to the College until final determinations are made.
4. Complete Time Sheets, Student Survey and turn in Project Sheets.

2. Complete a Termination Computation and set up a monthly payment plan, if applicable.
3. Return the student license to MO State Board along with a completed Termination form.
(If the student owes the College money, the State Board is notified of non-payment of contractual fees.)
STATE LAW 329.040 #17 "All contractual fees that a student owes to any cosmetology school shall be paid before such student may be allowed to apply for any examination."
4. Return all equipment, tools and textbooks to the student if no monies are owed to the College.
5. Provide the student with copies of all calculations and termination paperwork.

RE-ADMISSION POLICY

1. Students who voluntarily terminate may apply for re-admission at any time.
2. Students terminated due to a policy infraction may apply for re-admission after 3 months.
3. Students terminated due to a loss of financial aid may apply for re-admission on a self-pay basis at any time.
4. Re-admitted students must be current on payments of any balance due the College prior to being considered for re-admission. Students who were participating in financial aid may re-apply to determine current eligibility.
5. If a student's account was turned over to collections – the total amount due the collections firm must be paid before the student may be re-admitted.
6. Students re-admitted after 6 months will be charged at the current tuition rate for the necessary hours remaining for program completion. Those re-admitted in less than 6 months will be charged the same rate that applied when they terminated.
7. Any missing books or equipment must be replaced at the student's expense prior to re-admission.
8. The college, at its own discretion, may request the student to complete a practical evaluation prior to re-admission.
9. Re-Admission, under any circumstance, is not guaranteed.
10. Students re-admitted must sign an Addendum to their original College Enrollment Agreement, or a whole new Enrollment Agreement, whichever is applicable.

EMPLOYMENT ASSISTANCE (PLACEMENT)

The College provides access to information about salons that are in need of an employee. The College keeps an Employment Opportunities notebook that contains information from salons as to employment, location, salary, benefits, and work schedule. This service is available while a student is attending school and after graduation. It is recommended that each student visit salons (unless they already have a job)* while they are attending school.

It is possible for students to have their place of employment secured before graduation. Students are given instruction on preparations of a resume, good business practices, and successful employment. The College cannot make any guarantees of employment or salary upon graduation. The College does not advertise job placement rates to attract prospective students. The College hosts a Career Fair to assist students in finding employment in the industry.

*Some students are sent for training by a future employer, a relative that owns a salon, or by a graduate of the College who benefited from the training they received and therefore recommended the College and feel sure they will employ this student.

STATE EXAMINATION

After completion of the training, graduates take a state examination required by the Missouri State Board of Cosmetology and Barber Examiners to qualify for a Missouri professional license. The College prepares the student for their state exam. The examination fee is \$138.00, payable by credit or debit card to PSI (the testing company administering the exam) when registering for the exam on-line. Graduates are responsible to provide any supplies needed to take their exam. The state examination, for the Cosmetology and Esthetics courses, consists of a practical skills test and a written test. The state examination for the Instructor Training course consists of a written test, lesson plans and observed demonstrations of teaching. Upon successfully passing the State Board Examination Instructors must pay \$30 to receive their initial professional license. Cosmetologists and Estheticians will receive their initial license with no extra fees.

STATE LAW 329.040 #17 "All contractual fees that a student owes to any cosmetology school shall be paid before such student may be allowed to apply for any examination."

EMERGENCY RESPONSE & EVACUATION PROCEDURES

Staff and students should immediately notify the College Director or Office Manager in the event of a significant emergency or dangerous situation. Upon confirmation of the situation an announcement may be made over the intercom giving directions for student, staff and client conduct.

In case of fire, notify staff (who will call 9-1-1), evacuate the building to a safe distance for roll to be taken.

In case of tornado, proceed to the downstairs classroom until safe. Roll will be taken.

In case of unforeseen emergency – notify the Director, Office Manager or Instructor (who will determine necessary action).
